

AP Biology Practice Exam
Sponsored by the Salem State Collaborative
8:30 AM – 1:30 PM
Lynnfield High School
Saturday, March 31, 2012

Mark your calendars! The Salem State Collaborative will be sponsoring a practice AP Biology Exam on March 31st. The session will allow students to take the **2008 AP Biology Exam** questions in an appropriate and timed atmosphere. Students will start the exam with the free-response questions, followed by the multiple-choice section. This is done to allow time for the instructors to grade the free-response questions while the multiple-choice section is being administered. Following the exam, lunch will be served. Before students leave, they will receive their graded test, a score, and a complete answer key.

The registration cost is \$10 per student for schools that are members of the Collaborative and \$20 per student for non-member schools. We are **requiring** students to be accompanied by their teachers. Teachers are needed to help grade the exams. A completed registration form for each school is due by **Friday, February 10th**. Space is limited to 250 students.

If you have any questions, please contact Ernestine Struzziero at Lynnfield High School 781-334-5820, ext 4101 or e-mail struzzieroe@lynnfield.k12.ma.us.

Schedule of Events
